## Focus on Healthy Communities

### Physical Activity

Keep Kids Busy- and out of Trouble!

After the school day ends, is when most extracurricular activities take place. Times and program lengths vary, but one thing that remains consistent is that an involved kid is a busy kid. The busier the schedule, the less time there is to engage in trouble.

Find out more at the link below.

## Highlight NWTAC Program

## Members Advisory Services

The municipal operating environment is becoming more and more complex. Staff and Councils in small NWT communities often need expert advice to administer their operations.

The NWTAC is helping meet those challenges with three programs providing professional advice to communities in major fields of municipal management:

**Legal Support Services**  
**Human Resources Advisory Services**  
**Procedural and Governance Advice**

## Rural and Northern Immigration Pilot

The Rural and Northern Immigration Pilot was developed to help spread the benefits of economic immigration to smaller communities throughout Canada. The Government of Canada will work with local communities to:

- use immigration to help meet local labour market needs and support regional economic development
- test a new pathway to permanent residence in rural Canada for skilled foreign nationals at various skill levels
- create welcoming environments that encourage and help new immigrants to

stay in their new communities

We're looking for communities that are interested in participating in this pilot. Applications for the pilot are due March 1, 2019. Apply now!
