## Funding Opportunities

### The Indigenous Community-Based Climate Monitoring Program

Canada 

#### Funding for community-based monitoring projects in the Inuvialuit Settlement Region

- The Indigenous Community-Based Climate Monitoring Program is now accepting proposals on an on-going basis from Inuit communities and organizations in the Inuvialuit Settlement Region, Nunavut, Nunavik, and Nunatsiavut for projects beginning in 2019-2020.
- **Although there is no deadline to apply, potential applicants are urged to contact the program with their project ideas at their earliest convenience as funds are limited.**
- Potential applicants are encouraged to contact the program with their project ideas and to obtain a copy of the Guide for Applicants 2019-2020 before proceeding with a proposal submission.
- You can reach the program at: 1-800-567-9604 or [aadnc.surveillancedclimat-climatemonitoring.aandc@canada.ca](mailto:aadnc.surveillancedclimat-climatemonitoring.aandc@canada.ca).

Visit the program webpage to access the Funding Guidelines 2019-2020 below:

## HEALTHY CANADIAN GRANTS

The CMA Foundation's Healthy Canadians Grants Program is designed to provide support for community-run initiatives that improve the quality of life for patients and vulnerable populations living in those communities, thereby having a positive impact on the entire community.

**This year the CMA Foundation is offering 15 grants of \$20,000 each.**

The deadline for this year's applications is May 31.
