
2020 NWT ASSOCIATION OF COMMUNITIES AUCTION

The NWT Association of Communities is hosting its Annual General Meeting in Inuvik on Feb 27 to March 1, 2020. It is attended by Elected Officials from all NWT communities and the GNWT.

An auction is held at the meeting to fundraise for the Association and 10% is redirected to a charity of the host community's choice. We would like to give you the opportunity to donate an item to the auction. Your contribution will be acknowledged at the auction.

Don't miss out on the opportunity to get your company name on display with Municipal and Territorial Elected Officials and Staff!
