

AAMDC AGGREGATED BUSINESS SERVICES

Trade Division

Since 1936, the AAMDC Trade Division has provided municipalities, school districts, housing associations and other public entities access to a list of premium branded products and services. Using innovative technique of group buying, the Trade Division has centralized individual purchases unlocking significant cost savings.

In partnership with 145 approved suppliers, the Trade Division serves over 800 members that log a volume of over \$150 million annually. With these numbers, the Trade Division is poised to leverage the buying power of its members to secure optimal customer service, quality products and services, at the best prices.

Member Advantages

- Competitive prices through economies of scale.
- Consolidated invoicing.
- Single monthly statements.
- One check to pay all suppliers.
- Additional cash flow by way of additional time to pay invoices.
- Due diligence conducted on prospective and approved suppliers
- Trade circulars and programs

AAMDC AGGREGATED BUSINESS SERVICES

Trade Division

How it works

How it works:

In its simplicity, the Trade Division operates as a centralized billing organization, returning profits through dividends. Dividend distribution is dependent on the volume of purchases throughout the fiscal year.
