NWTAC  
Community Builder Awards

Sponsored by:

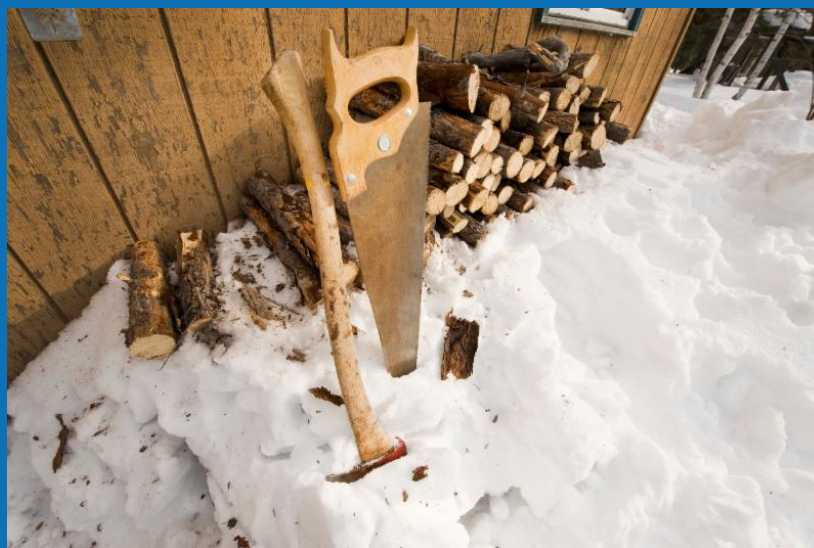

## Community Builder Awards Nominations

The aim of the Community Builder Awards is to celebrate excellence among elected officials, honour long-serving members of the NWTAC, and recognize individuals and organizations that have contributed to and improved the well-being of residents within our Member Communities.

AON's kind sponsorship of these awards goes a long way in assisting the NWTAC to recognize leadership and innovation across the NWT.

### Canada's **Low-Risk Alcohol Drinking Guidelines**

Drinking is a personal choice. If you choose to drink, these guidelines can help you decide when, where, why and how.

For these guidelines, **“a drink”** means:

### Alcohol Moderation

With the holiday season approaching we should all be mindful of the effects that alcohol has on us, our families and community. Check out the links below for helpful information.

## NWT & National Bulletin

SCC and CSA Group deliver new standards and guidance for northern infrastructure

Standards Council of Canada  
Conseil canadien des normes

Building in the far north has always presented unique design challenges. But now, with the increase in annual average temperatures being felt particularly strongly in the north, the challenges are even greater. To help address the growing need, three new documents developed by CSA Group with support from the Standards Council of Canada are now available.

Together, these documents will help infrastructure developers deliver more sustainable and resilient infrastructure in Canada's north.

## Funding Opportunities

### Volunteer Recognition Funding

The Volunteer Recognition Policy allows community governments to promote and encourage community volunteerism through planned community volunteer recognition events. Community governments can apply for contributions up to one thousand dollars (\$1000) per year for eligible costs related to hosting community recognition events.
