

NWTAC 2021 AGM is going VIRTUAL

November 3, 2020

The 55th Annual General meeting of the NWT Association of Communities (NWTAC) will be online late February 2021.

Due to restrictions on gathering sizes because of COVID-19, the NWTAC Board of Directors has made the difficult decision to move the NWTAC 2021 AGM to a completely virtual format. While COVID-19 has shown us that we cannot be physically together and that is very disappointing, we can still work together to build stronger communities by sharing information and acting with one voice to ensure NWT communities have the resources they need.

The NWTAC will share additional details of the upcoming virtual AGM in the weeks to come. Below is some initial information related to AGM registration and agenda. Keep up to date with our website <https://nwtac.com/annual-general-meeting/>.

Registration

Online registration for the AGM will be open in November, we will let everyone know when this becomes live!!!

AGM Agenda

NWTAC is making every effort to include the elements that have made past AGMs a success. The AGM Agenda is being worked on with key agenda items, including Financial Statements, 2021 Budget, Election of Directors, and resolution sessions. We are working hard to continue to provide the ever popular open discussions with GNWT Premier and Cabinet, government updates as well as interactive sessions.

Pleased be assured that the Board of Directors and staff of the NWTAC are working hard to make our 2021 AGM a huge success! Please contact us if you have any questions or comments! Stay strong! Stay safe!
