## COVID-19 UPDATES

### **"Drive to 75 %" Vaccine Initiative**

Residents in the Northwest Territories (NWT) are being encouraged to make the push to reach 75 percent uptake for full vaccination (2 doses) in the territory.

Higher vaccination rates will help to ensure protection for individuals, families, and communities as fall approaches and the Delta variant of COVID-19 becomes more prevalent across the country.

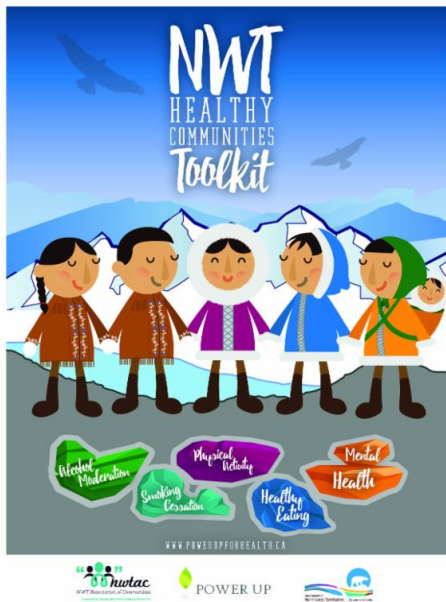

The "Drive to 75%" will include additional vaccine clinic opportunities, and ongoing promotions through the month of August.
