## CLIMATE CHANGE ACTION

### HOW MAYORS AND COUNCILLORS ARE ADVANCING LOCAL CLIMATE ACTION

Are you an elected official interested in advancing local climate action? Not sure where to start or how to overcome challenges related to competing priorities or limited resources? Read our interview with four climate leaders from across Canada to discover how engaged mayors and councillors can take action and build climate resilient communities.

You'll learn:

- what point communities are starting their climate journeys on;

- how to overcome common barriers;
- what climate actions to pursue;
- and more.
